Digital Bros Group terminates today the contract with Starbreeze for the development and publishing of the console version of the videogame OVERKILL's The Walking Dead

Milan – 08 April 2019 – the Digital Bros Group (DIB:MI), which is listed on the Star segment of Borsa Italiana and operates in the digital entertainment sector, announced today that its subsidiary 505 Games has terminated the contract with Starbreeze for the development and publishing of the console version of the videogame OVERKILL's The Walking Dead.

The PC version of the videogame published by Starbreeze was removed from the Steam marketplace on February 27th, 2019, after Skybound, the rightsholder of the OVERKILL's The Walking Dead title, has sent a notice of termination of the license agreement with Starbreeze for OVERKILL's The Walking Dead.

As a consequence, the Group's subsidiary 505 Games, who retained the console publishing rights for the videogame, has sent today a notice of termination of the contract to Starbreeze. Digital Bros Group will consider the demand to Starbreeze, actually in a restructuring process, of the refund of the advances paid for US \$4.8 Million and of all the expenses related to the project.
